**Payments can also be made through internet banking: 02-0340-0019461-001**

All students in Year 10 - 13 are expected to bring a device to school with them to use as a learning tool.

**Features that we feel are essential are:**

- Minimum screen size of 9"
- Wireless internet capability
- Battery life which will last a typical school day (at least 6 hours)

**Others features to consider:**

- Lightweight but robust enough to handle daily use
- Suitable, durable bag / cover for protection
- Suitable for use online and offline
- Security software

**For all types of devices we recommend that:**

- They be less than 4 years old
- They have AntiVirus software if appropriate
- Students make regular back-ups of critical work on external storage (eg. external hard drive or USB drive)

For more information please contact the Dean (see below) or Louise Buckley
