22 JULY

What is the Katikati College Acorn fund?

The Katikati College Acorn fund has been setup to provide for the betterment of the school. Allowing the school and its students to flourish through added opportunities. This may include providing equipment and/or spaces to advance the school's ability to support students and staff.

Benefits of donating

Make a bigger impact, together

Because your donation is pooled and invested in Acorn's fund, it can earn significant investment returns each year. As of 2023, the Acorn Foundation has more than \$63M in funds under management, and historically has achieved impressive returns (averaging 7%).

Support the future of your region

Instead of a one-off gift that gets used immediately, a gift to the Katikati College Acorn Fund keeps on giving back to your school forever! Through this fund, Katikati College can rely on income every year - to go above and beyond to support our learners.

Your gift is in safe hands

Acorn is an established funder in the WBOP, with 20 years' local expertise and robust governance processes in place, so you can be confident that your gift will benefit Katikati College.

How it works

1 Donate

Donations can be made to the Katikati College Acorn Fund of any amount, at any time. Each will be receipted. One-off gifts can be made now via the Acorn Foundation website, a regular automatic payment can be set up, or donors can leave a gift in their will.

Did you know?

You can claim \$33.3% tax back on donations to charity in NZ. That means a \$50 donation will only cost you \$33!

2 Donations Pooled & Invested

Donations to this fund will be pooled and invested with other Acorn donor funds, in perpetuity. Acorn's funds are professionally managed by Craigs Investment Partners.

3 The Fund Grows

The fund earns investment returns, which are compounded until the fund reaches \$50,000, after which a portion of the returns are paid out annually to Katikati College.

4 Annual Distributions to Katikati College

Decisions will be allocated by Katikati College through the Committee. This Committee is made up of the Principal of the College, a School Board Trustee, current staff members and past pupils.

The Decisions Committee will ensure that the funds distributed support the continuing development of Katikati College.

Join us in helping our future generations at Katikati College

Donate to Katikati College Acorn Fund online at:
