

Katikati College Teacher Aide

Our Learning Support Team are looking for a Teacher Aide who is positive, patient, flexible and passionate about working with neurodiversity. An understanding of the complexities of behaviour and neurodivergence would be an advantage. You must have a desire to support students to achieve their potential in a variety of environments.

We have a fixed term position available for the 2025 academic year, working with students and teachers across Years 7-13. The successful applicant will be passionate about providing the best support for students, developing understanding in complex learning abilities and behaviours, able to work well as part of a team, build professional relationships, use initiative and able to learn and apply specialised learning and behaviour management strategies.

The position is term time only, 27 hours per week (including breaks) with immediate start. Applicants to advise what skills and experience they have in working with children who have high and complex needs and abilities. Remuneration to be discussed with the right candidate.

Applicants for this position should have NZ residency or a valid NZ work visa and will be required to be Police Vetted.

Application Closing Date Friday 4 April 2025 at 12 noon
